

# The Enusual Story

ood in African culture are largely influenced by our customs and traditions, with a strong belief that eating well is the pre-requisite for living well.

At **Unusual Cuisine**, this belief is the anchor for our choice and style of cuisine. We are an upscale restaurant in Lagos, steeped in the best traditional African and continental dishes, offering the finest of culinary and cuisine experience served in a serene ambiance.

At **Unusual Cuisine**, we tell a story with every dish we make, because we believe in serving our customers not just a meal but an experience, by making every meal time, moments to cherish!

And beyond everything else, we attempt to strike a balance between the art of great dining and a perfect, relaxing ambiance to go with. We know taste is everything, so we take extra effort to delight your taste buds.

Our style and art of cuisine is inspired by the core spirit of African local delicacies with a good blend of continental foods. And just to let you that we are the 'go-to' choice when the desire is a total and wholesome food experience.

We also cater for individuals with special diet needs, as we keep fine-tuning our processes to keep giving the best.
